Matilda the Musical, 2022

When I grow up, I will be tall enough
to reach the branches That I need to
reach to climb the trees You get to
climb when you're grown up. And
when I grow up, I will be smart
enough to answer all the questions
that you need to know. The answers
to before you're grown up. And when
I grow up, I will be wiser every day.
On the way to work, and I will go to
bed late every night. And I will wake
up When the sun comes up, and I
Will watch cartoons until my eyes go
square. And I will be all grown up.
I will be strong enough to carry all
The heavy things you have to haul
Around. When you're a
grown up. When I grow up, I will be
brave enough to fight the creatures
That you have to fight beneath the
bed Each night to be a grown up. And
when I grow up, I will have treats
every day. And I'll play with things
that mum pretends That mums don't
think are fun. And I will wake up
When the sun comes up and I will
spend all day just lying in the sun.
And I won't be afraid 'cause I'll be all
grown up. When I grow up,
I will be brave enough to fight the
creatures That you have to fight beneath
the bed Each night to be a grown up.
Just because you say that life's not
fair, it Doesn't mean that you just have
to grin and bear it.
If you always take it on the chin and
wear it, nothing will change.
Just because I find myself in this story,
It doesn't mean that everything is
written for me. If I think the ending is
fixed already, I might as well be
saying I think that it's OK,

Student Council

Advisor - Ms. Pyne

Student Council works to give high school students a voice in as many aspects of the school as possible. They plan events and fundraisers, work with administration to address student concerns, and strive to make AMHS the best it can be.

Drama Club

Advisor - Ms. Pyne

Drama Club puts on 3 performances a year, including a district-wide musical and a student-directed play festival. Through the course of the year, there are many opportunities for students to get involved both on-stage and backstage: acting, directing, playwriting, stage managing, working on the lighting or sound crew, building and painting sets, selling tickets, supervising students, etc.

Interact Club

Advisor - Mr. Lochrie

The Interact Club is a community service club focused on helping the communities of which they are part of. This includes the school community, the Avon community, surrounding communities and beyond. They focus on engaging the school community to help those in need. In addition to doing community focused activities, they have partnered with other clubs and outside organizations to promote their community focused activities. The Interact Club provides members with opportunities to better themselves through community service.

ACES/SALSA

Advisor - Ms. Isidor

The mission of ACES, Avon Coalition for Everyone's Success, is to promote a safe and healthy environment for everyone in Avon through a collaborative effort of community-spirited individuals, agencies, and organizations. Students participate in a variety of activities and projects throughout the year, such as: "School on Wheels," Honors Breakfast each term, Fall & Spring Blood Drives, NHS Spring State Conference, "Cards2Connect" & Sole Hope.

Diversity Club

Advisor - Ms. Lambert

Diversity Club is a safe, supportive space where students can have conversations about identity, the LGBTQIA+ community, gender, race, culture, equal rights, and current social issues. Spaces like this build a community and a sense of belonging. The club as plans and organizes events that promote acceptance and understanding of what makes us all unique.

Hip-Hop Club

Advisor - Ms. Murray

A weekly club where students can come and have fun, enjoy the benefits of physical exercise, learn current dances from talented choreographers and work to cooperate and strengthen bonds with students of different age levels and grades. This club aims to provide a safe and comfortable environment where self-expression is encouraged.

Art Club

Advisor - Ms. DiChiara

Art Club is for students who share a love of art, self expression, and passion for creating. Members are also involved in school and community projects to enhance our sense of self while helping others. In the past we have painted murals and contributed to the Drama sets. It's a great place to meet like-minded artists who are enthusiastic about creating and having fun.
